

READ IT, WRITE IT, BUILD IT: APPLIED LITERACY IN ACTION

2019 Moonshot Summer Institute

www.TheLearningAlliance.org

Learning Goals

social interaction contributes to literacy learning - how interpretation is developed and refined through collaborative experiences around text.

multisensory learning strategies (particularly oral and kinesthetic in this workshop) support literacy development

how chapter books can move **beyond read-alouds** to hands-on print experiences

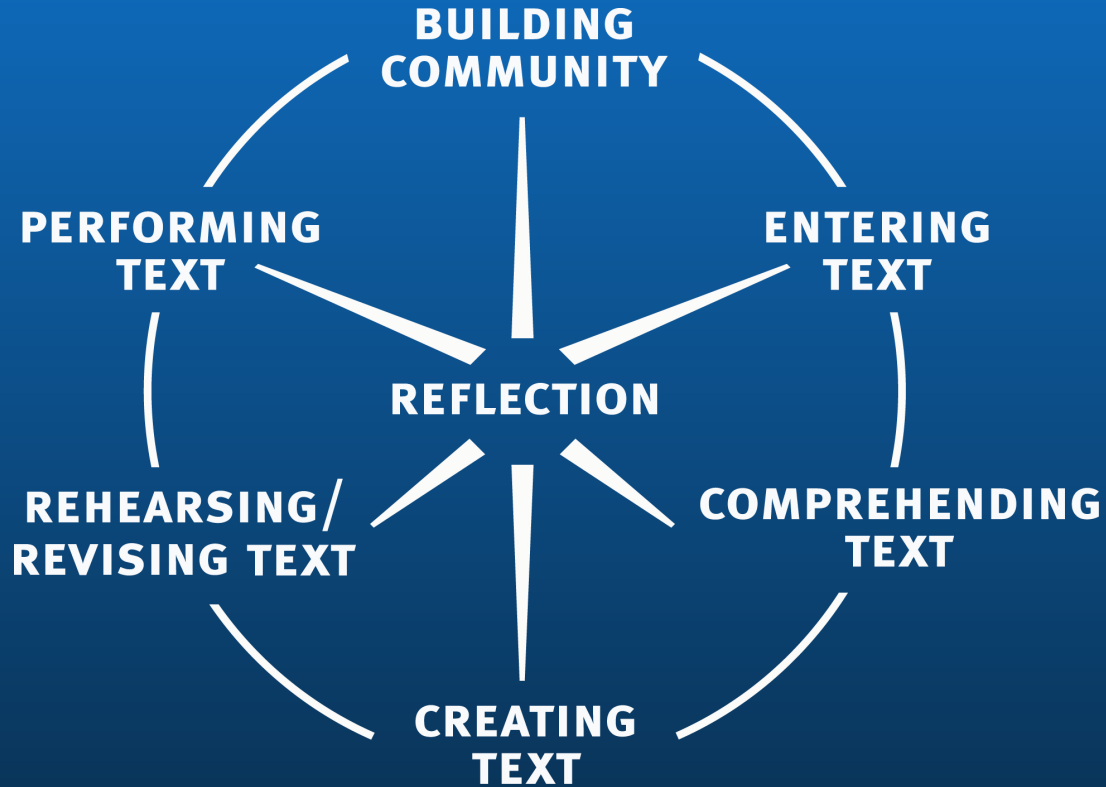

Learning Goals

the goal of **rubrics** is to offer a set of vocabulary for students to create and assess high quality work

multiple iterations of student work—with rubrics in place—levels up the quality of student work.

curriculums can be shaped around **essential questions and big ideas**

The Performance Cycle

Robot Sentences*

** a new Moonshot activity!*

A stylized illustration of a robot with a rounded head and two small eyes, standing on a rectangular pedestal. The background is a light gray sky with a large white cloud. The robot and pedestal are dark gray.

**BUILDING
COMMUNITY**

B,M,E Story Cubes^{*}

^{}a new Moonshot activity!*

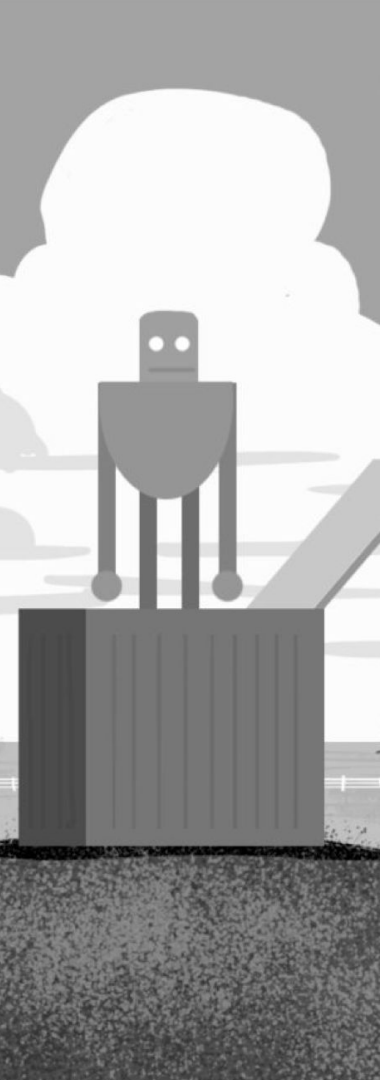

A stylized illustration of a robot standing on a lunar surface. The robot is grey with a rounded head, two small white eyes, and a simple body. It is positioned on a dark, cratered surface. In the background, there are white, cloud-like shapes representing the lunar horizon or atmosphere. The entire illustration is set against a dark grey background.
